**pate (always in stock)
 pipe hood assembly**

standard construction

Heavy ga. aluminum construction. With removable top cover, faceplate and 3 sided body provide easy access to the hood interior. Separate fully welded and insulated aluminum mounting base furnished to isolate hood from galvanized curb. Field insulation of hood interior and caulking of all exposed joints after installation of piping is recommended.

Cap packages fit 15" square and 15-1/2" square OD curbs
