## **STANDARD (12 MONTH) WARRANTY**

The Pate Company (Pate) provides this limited warranty for a period of twelve (12) months from the date of shipment. Pate warrants that all products will:

1. Be free from defects in materials and workmanship.
2. Meet the requirements of generic submittals for Pate stock products or meet the specific requirements of Pate submittals or shop drawings as defined in sales order documents approved before manufacture.

Any claim for adjustment under this Warranty must be made, in writing, within the warranty period.

Pate's liability shall be limited to repair, or, at Pate's option, replacement of all parts which, upon examination by Pate, are found to be defective. Parts which are claimed to be defective must promptly be made available for inspection by Pate.

This warranty is limited solely to the above and applies only for the period set forth. Pate is not liable for any loss or damage, direct, incidental, or consequential damages of any kind, whether based upon warranty, contract, or repair of the products. Pate's maximum liability shall not in any case exceed the contract price for the products or component claimed to be defective.

Alan Leard  
President

Note: all requests for extended warranty terms must be agreed to, in advance and in writing, at the time the project quote is prepared by Pate.
